## NOTES

- \*In 2020 we started our feral cat enclosure, included in colony shelters.
- \*Foster expense includes food, medical, spay and neuter of fosters.
- \* TNR spay neuter was less in 2020 due to the fact clinics were closed for months and we also used the free S/N clinic when possible.
- \*We were blessed in 2020 to received high quality dry food donations from Dr. Elsy, Duncan's Place and St. Paws Rescue. Without these donations, our food expense would have more than doubled.
